Welcome and thank you for your interest in our fifth summer of the All Girls Math Camp! This year, All Girls' Math Camp is expanding services and adding a camp for girls entering 6th, 7th and 8th grade!

All Girls Math Camp will run during the weeks of July 29 – August 2 and August 5 – 9, 2019. Girls will be split into groups of 1st through 3rd grade and 4th through 6th grade. Camp times for both age groups will be 8:30 am to 12:30 pm, Monday through Friday. Math Camp is based on a program called "Count Me In Too". Count Me In Math Camps are designed to set girls up for success in math by creating a unique and playful new place for them to learn. By taking boys out of the mix, we aim to build confidence, girl power, and provide a safe space to challenge and expand campers' thinking about math. Within each age group, we will tailor the lessons to the students' abilities to promote new thinking and help maintain math skills throughout the summer. We work with indoor and outdoor games, arts and crafts, and a class store, all of which revolve around math concepts and have a fun twist!

All Girls STEAM Camp will run August 5 – 9, 2019. This camp is for girls entering 6th through 8th grade. Camp time will run 1 pm to 4:30 pm, Monday through Friday. Our STEAM Camp includes a week-long engineering design project as well as daily activities that explore technology, chemistry, biology, art and many other STEAM topics. Students will be exposed to a variety of topics and have the opportunity to explore them in creative, non- threatening ways.

All Camps will be held at Jackson Hole Community School. Below you will find a registration form and liability release that will need to be filled out and emailed to jhmathcamp@gmail.com. Upon sending in your registration form, you will receive an invoice from Jackson Hole Tutoring with several payment options. A payment of \$300.00 will be due within two weeks of Jackson Hole Tutoring receiving your registration form. Please see below for more information regarding costs and payment. Your payment includes snacks to be provided throughout the week and all camp materials. You will receive an email within two weeks of camp start dates with more information.
